

# Inside The Apothecary

Our Process and Ingredients

---

botanicary.

# ALCHEMY

Botanicary is more than skincare; it's a sanctuary where enchantment, magick, and the nature's wisdom converge. Our potions, rooted in nature, affirm the connection between humans and the Earth.

# Glow Nectar

Our proprietary blend of certified organic aloe vera juice and rose petal hydrosol.

In all of our liquid products Glow Nectar takes the place of water to soothe and rejuvenate tired skin.

# NATURE-BASED ACTIVES

## Orchid Stem Cells

Plant stem cells obtained from a Japanese orchid flower (*Calanthe Discolor*). Orchid stem cells are known to contain several growth factors for rejuvenating aging skin.

## Sea Kelp Bioferment

Sea Kelp Bioferment is a natural kelp extract that has been derived by fermentation of Sea Kelp using *Lactobacillus*. Fermentation breaks down the cellular tissue of the kelp leaf, thereby increasing the bioavailability of the naturally occurring nutritive compounds abundant in kelp.

## Vegan Silk

Vegan Silk (hemisqualane) is produced by breaking down plant-based oils into their individual fatty acid molecules, then reassembling them into a long-chain polymer. It is called "vegan silk" due to its silk-like texture and luxurious feel.

# NATURE-BASED ACTIVES

## Bakuchiol

Also known as bio-retinol, this natural alternative to retinol has been shown to encourage cell turnover without increasing sensitivity or redness.

## Centella Asiatica

Cica is a nickname for a plant scientists call Centella Asiatica (also known as gotu kola or tiger grass). CICA is a perennial creeping plant traditionally used for faster healing of wounds and beneficial for skin rejuvenation.

## Mushroom Peptides

Mushroom peptides, found in medicinal mushrooms like reishi and shiitake, have special properties that support the skin's natural collagen production and help improve elasticity and hydration, while reducing inflammation, providing antioxidants, and brightening the skin.

# SUPERFOODS

## Turmeric Root

Turmeric is one of nature's most potent sources of antioxidants that can gently help rejuvenate dull, tired skin and improve the appearance of dark spots to reveal brighter, smoother skin.

## Triple Caffeine Blend

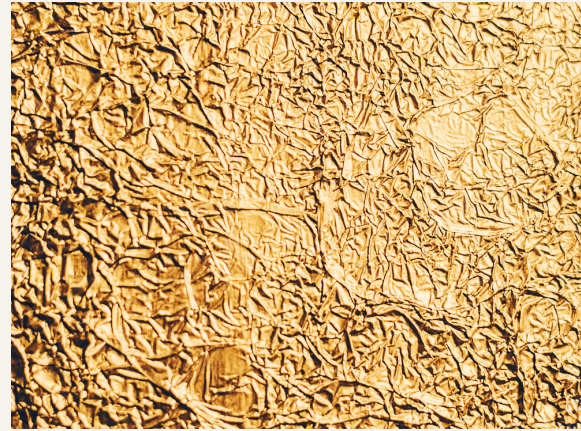

Our all-natural caffeine blend is made from guarana fruit, green tea extract and coffee bean extract. Caffeine has been proven to help help tone, tighten and firm skin's appearance

## Goji Berry Extract

A true "superfood" this antioxidant-packed fruit can help improve the appearance of fine lines and may help protect the skin against oxidative damage

# SCIENCE BACKED INGREDIENTS

## 24k Gold

Known from the time of Cleopatra for its powerful anti-aging benefits, 24K Gold helps lift and firm the appearance of skin while providing an opulent glow.

## Niacinamide

Niacinamide helps restore cellular energy of the skin's cells and repair damaged DNA giving skin the nutrients it needs to build its own ceramide protective barrier.

## Hyaluronic Acid

Hyaluronic acid can hold up to 1000 times its weight in water, drawing in moisture to deeply hydrate the skin

## Lactic Acid

Lactic Acid will gently polish dull, tired skin and improve the appearance of dark spots to reveal brighter, smoother skin.

Lactic acid is the acid naturally present in the skin for true bio-compatibility and natural results

## Allantoin

A powerful emollient with the ability to soothe, brighten, and deeply moisturize skin

## Ceramides

Ceramides are bio-compatible lipids that strengthen the skin barrier preventing trans epidermal water loss
